

# Jump & Donate Spirit Night

We've got spirit, yes we do! We've got spirit, how about you?

Do you have a team, school or organization that needs fundraising? A program or group that could use some exposure? Rebounderz would love to help! By hosting a Spirit Night at our facility Monday-Thursday, your organization can raise some money—and have fun doing it!

When you reserve a Spirit Night with us, we'll dedicate a whole night to your school or organization, giving you 20% of the special priced jump proceeds. Spirit Jumps are unlimited jump time from 5:00-8:00 pm for \$15 and includes our Jump Tower and Ninja Warrior Courses! Though we will promote your group for the evening, the facility will remain open for anyone (affiliated or non-affiliated) to jump as they please.

To help spread the word, we will provide your group with a custom graphic detailing the event for your social media promotion. We will also provide a PDF flyer you may copy and use as a handout.

What are you waiting for? The results are great, and the process is simple. Reserve a date, get your custom graphic, promote the event, and then just show up! Let us help you put the "fun" in "fundraiser!"

Ask us about special pricing if you are interested in combining your Spirit Night with your fundraising reward party. We can also provide your group with conference style room at no charge for board or committee meetings.
